

# A&E Consulting LLP

Capability  
Statement

## Company Overview – We Listen. We Collaborate. We Advise.

A&E Consulting LLP, formed in 2021, is a full-service management consulting firm based out of Washington, DC - born from a vision to create thriving, successful customer and staff environments - without the typical impediments. We have over 45 years of combined, dedicated government contracting experience which allows us to meet and exceed client expectations.

Our services include several aspects of portfolio operations and execution including but not limited to program and financial management, budget formulation, acquisitions package development, and strategic planning. As a woman, minority, and veteran-owned small business, we pride ourselves in delivering quality customer service, expert advice, and informed and focused support through effective communication.
