

Consulting LLP

We listen, we collaborate, we advise

Company Overview – We Listen. We Collaborate. We Advise.

A&E Consulting LLP, formed in 2021, is a full-service management consulting firm based out of Washington, DC - born from a vision to create thriving, successful customer and staff environments. Our leadership has over 46 years of combined, dedicated government contracting experience which allows us to consistently meet and exceed client expectations.

As a registered woman, minority, and veteran-owned small business, we pride ourselves in delivering quality customer service, expert advice, and well-informed, focused support through effective communication and subject matter expertise. Our services include several aspects of portfolio and program operations including but not limited to federal financial and contract management, acquisition package development, product management and delivery, strategic planning, and Congressional Affairs liaison and reporting.
